PRODUCT WARRANTY TERMS (New products ONLY)

These warranty terms and conditions (hereinafter referred to as the "Warranty Terms") are a statement on the quality warranty as of Article 2113 Act no. 89/2012 Coll. of the Civil Code as amended (hereinafter referred to as "NCC").

The quality warranty applies to the Swimwear Spin Dryer / OD-100, B250-1 (hereinafter referred to as the "Products").

The Seller hereby states to provide the Buyer with quality warranty on the Products in the length of 24 months (engine and brake) and 12 months (the rest of the product) (hereinafter referred to as the "Regular Warranty"), the Seller undertakes that during the warranty period the Products purchased by the buyer shall be of sustainable quality and properly functioning. The Regular Warranty commences upon the dispatch day of the Product. Shipping and handling fees are included and will be paid by the Seller.

Limitations of Regular Warranty

Aesthetic Components Limitations

The Bamiko company will not replace any cosmetic items within the warranty period that appear:

- Damaged or worn due to incorrect use.
- Dirty or stained due to lack of reasonable cleaning.
- Damaged as a result of vandalism.

Reserves the right to supply fittable parts

The manufacturer or seller reserves the right to attempt to supply any part to rectify a fault that can be fitted easily and safely which include:

- Removable Top Ring – includes replacement screws.
- Springs and Plungers – underneath the Top Ring.
- Bristle Ring, Bristle Ring Holder – located on the Inner Drum.
- Any Labeling – Front Logo, User Manuals (on the lid, on the wall), etc.
- Any other part that can be easily and safely fitted.

All parts will be shipped DDP (delivery duty and taxes paid). The Buyer must fit these parts at their own cost. If the parts supplied do not resolve the fault the Seller will repair or replace free of charge.

Non-Warranty Claims

The manufacturer or seller reserves the right to charge for parts, labor and shipping in the following scenarios:

- The Product is returned fault-free.
- Goods not returned in the original/correct packaging, including transport bracket (unless authorized in writing).
- Clear signs of significant vandalism to the product.
- Incorrect description of fault given and fittable part could have been supplied.
- Evidence of incorrect installation.
- There is heavy water damage to internal components as a result of:
    - Lack of reasonable maintenance (cleaning).
    - Blockage inside the drain hose or in external plumbing.
    - Product was flooded (large amount of water poured into the inner drum).
